

Volume 7, Number 9 May 2015

## Don't Forget

Don't forget to return or renew your books before you go home for the summer. If you don't feel like walking up to the Rod- there is a drive up book drop in front of Gilchrist. The book drop is the silver one that says "Rod Library," not the blue one that says "U.S. Mail."

## Did You Know....?

If you don't want to study on the 4th floor, but still want some quiet we will give you earplugs at the Circulation Desk. Did you know that we have colored pencils, markers, crayons, glue, rubber cement and various other art supplies for check out from the MultiService Center? Did you know there is a crafting area by 282A and B with stencils, construction paper, a T-square and paper cutters? You can also get glue, crafting scissors, photo adhesive squares, and other crafting supplies from the Information Desk. Forget your phone charger or umbrella? We have those too! Last, but not least, did you know...you can get a Cedar Falls Public Library card from the Circulation Desk to use for CFPL @ UNI books or for use at Cedar Falls Public Library- including their online collection of e-books, audio books, movies, and music? It's true, and it's all free!

Summer session  
begins

## ScholarWorks

We are pleased to announce *UNI ScholarWorks*. This institutional repository, managed by Rod Library, is a place where UNI's scholarly and creative output can be shared with the general public. *UNI ScholarWorks* makes the works created at UNI accessible to a global audience. The repository can feature faculty/staff/student scholarship and creative works, community projects, archival collections, journals, conferences and event proceedings and so much more! To see what we've already posted, go to <http://scholarworks.uni.edu/> and watch the world map show the recent readership activity for the repository. Our goal is to showcase the knowledge, creativity and innovative spirit of UNI.

## Finals Week Stress Buster

Finals week creeps up on us once again. Don't worry, the Rod is here to make the journey slightly less painful. We have a few stress relieving activities planned. May 4-6 from 5pm-8pm there will be free chair massages in the Learning Commons. The graffiti wall and stress free zones will make a reappearance, and back by popular demand- P.E.T.P.A.L.S therapy dogs will be in the lobby to listen to all your worst fears. Don't worry- they won't judge. They'll be here Apr 29, 30 & May 4-6 from 11am-2pm. On May 3rd at 7:00pm enjoy milk and cookies while you study, served by President Bill Ruud and Judy Ruud.
