## Tips to Keep You Safe

UNI ID is required for checkout of all material. This is to ensure that material charged to your account really is checked out to you and not someone giving a random ID number.

Do not leave items unattended. Be cautious. Be aware of your surroundings and take note of the people around you. If you notice suspicious behavior, or someone is making you feel uncomfortable, inform library staff immediately. Do not leave your laptop, bags, or other personal belongings unattended. Be sure to remove any peripherals (ie USB keys, hard drives, CD's, DVD's) from public workstations.

During winter weather conditions the library may close early, or open late. Check the Library homepage at <http://www.library.uni.edu/> for latest news on closings or call the Circulation desk at 319-273-2462.

UNI Police offer escort services to the UNI community 24 hours a day, 365 days a year to anyone needing an escort from a university building or Residence Hall. Give them a call at 319-273-2712 about 5-10 minutes before you plan to leave.
