Rod Notes
help for the stalled

Volume 4, Number 9 May/June 2012

Welcome Orientation Groups!

Welcome to the University of Northern Iowa, and more specifically welcome to Rod Library! Start your career as a Panther off right. Check out laptops, DVD/Blu Rays, CDs, books and so much more! Need research help? Stop in or chat/email/text a Reference Librarian. Up late? So are our databases! Let us know how we can help.

Youth Collection Renovation

The Youth Collection is back home again on the 3rd floor. Stop in to admire the new furniture, collaborative study area, and collections. Relax under the tree and picture Boo Radley hiding gifts just for you. If you need help finding anything just stop into the youth offices. Yolanda and Sandy will be happy to show you the new arrangements.

DVD Cleaning

Does your favorite episode of “The Walking Dead” have scratches from over viewing? Bring it to the Multi-Service Center on the 1st floor to run it through the disc cleaner. Just \$2 per disc could bring your disc back to life-but not in a scary, brain eating way.

Library Hours for Summer

Pinterest

The library now has a Pinterest account!! New boards will be created soon, but check out what we have so far! Do you know why “The Hunger Games” is a top target of banned books groups? Check out the banned books board to see why some of your other favorites made the list. Check out “How to Survive a Zombie Apocalypse” to get a leg up on the Rod Library Fall event (shhh.) Even Stephen Colbert and Ryan Gosling understand the importance of what the library can do for you. Need a little library chuckle? It’s there too! So take a break from studying and follow us on Pinterest. Check us out at <http://pinterest.com/rodlibrary/>. Just keep pinning, just keep pinning.....

Zombie Sightings on Campus!

We know you are anxious to get away for the summer, but remember, when you return, there may be some changes. Start training now for the approaching zombie apocalypse. Run hard, run fast. Learn their weaknesses. The Library can help! It could save your life!
