## Hunger Games

With "Catching Fire" set to hit theatres this coming November, we at the Rod Library and the Cedar Falls and Waterloo Public Libraries are gearing up to put on another Hunger Games event!

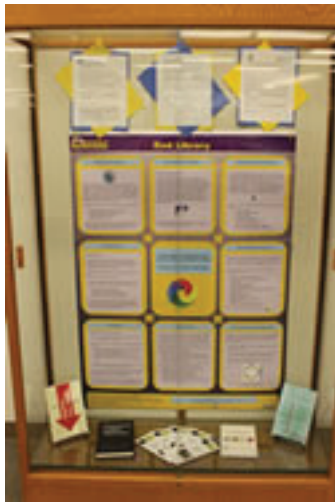

This time we're upping the stakes to make the games better, tougher, and even more fun!

Go to:

<http://www.library.uni.edu/collections/youth-collection/cedar-valley-hunger-games-iii> for scenes from previous games and registration information. Are you ready for the "Quarter Quell" Cedar Valley style?

## We Are All In This Together!

Check out the new exhibit, "Scholarly Communication Challenges & Opportunities: We're All in This Together," located outside the Collection Management office (main floor). Stop by and find out about Author Rights, Open Access, Institutional Repositories, Subscription Pricing and more...

## Cedar Valley Library Consortium

Rod Library belongs to the Cedar Valley Library Consortium (CVLC). The CVLC is a collaboration between Wartburg College Library, Waterloo Public Library, Cedar Falls Public Library, Allen College Library, Hawkeye Community College, and several UNI Campus Collections such as the IRTS lab in Schindler. If you have a UNI ID card you are eligible to check out materials from all of these other libraries at no cost. You can also return items from any of these locations right here at the Rod and we'll be sure it is returned to its proper home. You can also obtain a Cedar Falls Public Library card at the Rod Library Circulation desk. Just stop by and fill out an application and get immediate access to items such as their extensive ebook collection with OverDrive, free music downloads with Fregal, and digital magazines with Zinio.
